The Mixed Courts of Egypt 1926

There is, in the real sense of the word, no impact of conflicting civilizations, no race for supremacy, no fibre-destroying rivalry. The Mixed Courts paved the way for this to happen by the gradual cycle of reform, development and reform. The question was, could the law help the parties and not, could the parties fit in with the written codes or existing law? The completion of the 1869 and the development of the cotton trade had attracted many foreign interests and foreign nationals to Egypt.

Oxford Public International Law: Mixed Courts of Egypt

But Egypt is a Capitulatory country. BRILL's mainly English language publications include book series, individual monographs and encyclopaedias as well as journals.

The Mixed Courts of Egypt

Further, enforcement litigants could see that redress was available and real. Parties felt that disputes should be left to settlement by the courts. We have four judicial languages: French, Arabic, English, and Italian.

Mark S.W. Hoyle, Mixed Courts of Egypt

Nothing was said of the genesis of these International Courts. His jury gave him an almost insignificant chastisement. The Greek played in great luck.

Mixed Courts of Egypt

Cic-urel had recognized the murderers and that four men had I been arrested for the crime.

Mark S.W. Hoyle, Mixed Courts of Egypt

For each period, Hoyle shows how the practical work of the Courts, their interpretation of the theory of the Mixed Codes, was affected by

politics. But he showed an abiding reluctance to work.
