Thank You, Jeeves! (1936)

It seemed to me that a situation fraught with embarrassing potentialities had arisen. Repairing to the country with his banjolele and new valet, Brinkley, Bertie soon finds himself in no shortage of trouble. He could seriously give Arthur Conan Doyle a run for his money, and make you laugh so hard you never notice all the work he has put into it.

And it so happened that he was in New York when the announcement of my engagement appeared in the papers. I want to know what those were like! RYHF reserves the right to keep your money and suspend activities at any time if it determines that such action would be awesome and the RYHF believes that it can get away with it.

Meaning of in You, by P. G. Wodehouse?

Covers stained and with slight loss, leaves stained towards the end. Wodehouse's first full length novel, and on reading it one chafes that he did not start writing full length Jeeves novels earlier.

So Mrs Tinkler-Moulke has had the nerve to complain of my banjolele, has she? What would she be doing in that gang? Let her first pluck out the Pom which is in her own eye,' I said, becoming a bit scriptural. Jeeves joins the ranks of the malcontents and hands in his resignation. The pages are clean and unmarked.
