## A bloody offal nuisance: the persistence of private slaughter

Scientific controversy aggravated the situation when there were doubts about the scientific judgment of Privy Council veterinary officials, who were simultaneously conducting disease-diagnosis activities and pushing for tighter regulations at British ports. We publish a magazine, Rural History Today, as well as a scholarly journal, Agricultural History Review, and our conferences provide opportunities for historians professional and non-professional to meet, mix and exchange views in a friendly and sociable atmosphere.

## The meat trade in Britain, 1840

London is the focus of the article because in no other British city were public abattoirs advocated from such a diversity of sources and in no other city of any size were they so decisively defeated.

## U.S. Companies in Argentina: Trade and Investment Patterns (1890

Diane Clark contributed helpful comments and two anonymous reviewers made a number of useful suggestions. The commander of the Army, General Nelson A. Agricultural History is the journal of record in the field.

## The Invention of Refrigerated Transport and the Development of the International Dressed Meat Trade

On the other hand, in the passages, courts, and alleys, on the very opposite side of the street from the houses of which there are no drains into the common sewer, fever of a fatal character has been exceedingly prevalent.
