Second, to head off extremist government responses to extremist domestic threats. Correct, Giuliani cleaned up the NYC streets by enforcing most likely unconstitutional gun registration laws and obviously Trump was a big supporter of Giuliani. There are almost as many theories and targets as there are advocates of one stripe or another.

## The Castle Doctrine

Kant now says: think only in accordance with that maxim that could be a universal law.

## Marcus Aurelius on Retreating Into One's Self

But there are reasons for thinking that this ought to have been his view, and in some places he comes very close to such a claim. I think you may be getting the duty to retreat confused with the allocation of the burden of proof on self-defense—Prof. Proponents of castle laws argue that they add a necessary level of protection for potential crime victims who should not have to worry about legal consequences while they are in the process of defending themselves.

## Retreat Reflection

Nonetheless, the essay makes clear how Kant equates reason with the aspiration to full publicity. What explains the lack of decisive progress on human-driven climate change? These include both the claims discussed in §1. Nope, it is the reasonable person standard which is why it was so important to get 6 women on the 6 person jury...and to get his MMA instructor to testify that Zimmerman was a big pussy.
