Therefore, HSSE risks, should they materialise, could have a material adverse effect on our earnings, cash flows and financial condition. As seen in recent years, these risks can manifest themselves in the countries in which we operate and elsewhere. Liabilities associated with defined benefit pension plans are significant, as can be cash funding requirement of such plans; both depend on various assumptions.

In preparing these financial statements, the Directors have also elected to comply with IFRS as issued by the International Accounting Standards Board IASB. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the parent company and of the profit or loss of the Group for that period. In addition, a condensed set of the Royal Dutch Shell plc interim financial statements was included in the 2nd quarter 2019 and half year unaudited results announcement released on Aug 1, 2019.
