It is essential not only to the scholar of music, the professional performer, and the practicing amateur, but to everyone who has ever anticipated the pleasure of a weekly musical broadcast, purchased a favorite recording, or truly enjoyed a concert. Totally satisfied with this purchase!! Los Angeles Times Authoritative in its scholarship, comprehensive in its coverage, and commendably concise in its style...a treasurehouse of musical knowledge which should be an integral part of every music library. It contains a wealth of musical information with clear, easy to understand definitions that also have cross references. Apel and eighty-eight other eminent music scholars have contributed new articles and revised old ones completely.
