31 Irish Mythological Creatures (Tales Told By An Irishman)

Stories evolve and are enriched over time.

Ancient Irish Tales by Tom P. Cross

Here are summaries of five of the most popular stories.

Cliffs of Moher

Some tales describe the Bodach as a Celtic creature that plays tricks on kids. This comprehensive collection of epic and romantic literature includes well-chosen examples of the three main cycles of early-Irish literature--Tales of the Tuatha De Danann, The Ulster Cycle, and The Finn Cycle--as well as other romances and sagas that don't readily fall into any of the main cycles but are representative of early Irish tradition. The city sank when the chieftain lost the golden key that opened the castle doors.

Ancient Irish tales : Cross, Tom Peete, 1879

When he was with the dog, he seemed to be his old self again and relished the days hunting with his sons. I'm reading this volume to fill out the stories not in translations by Jeffrey Gantz, Elizabeth Grey Second Battle of Moytura , Thomas Kinsella Tain , John Koch and John Carey Celtic Heroic Age , Ann Dooley Tales of the Elders of Ireland. The mood was respectful and when the storyteller was at work — no one interrupted.
