Egyptian Obelisks Egyptian Obelisks Of all structures created by Man, I can think of no other that garners my awe and admiration more than the Egyptian Obelisks. In August 1879 the movement process was suspended for two months because of local protests and legal challenges. When you are tired of seeing an enormous collection in the Metropolitan Museum of Art, it'd be a good idea that to take a rest at the cafeteria.

**Cleopatra's Needle (New York City)**

However, in the days of Apollos, the Emperor Gaius Caligula could not wait to die in order to be deified, so he deified himself. That damage is

visible today on the east face of the monument. Tyldesley seems to be very familiar with Egyptian as well as Roman history.
