**Henry Grey, Duke of Suffolk, 3rd Marquis of Dorset (d.1554) [Marquess of Dorset, father of Lady Jane Grey]**

Else a clean and tight copy. She was a patron of literature and as evidenced by her diary and many letters was a literary personage in her own right.

**William Larkin: Portrait of Richard Sackville, 3rd Earl of Dorset (1613)**

It was not until the death in 1643 without male progeny of , the 4th Earl's only son, that Anne managed to regain the family estates, although she did not obtain possession until 1649. There he joined forces with the Cornish Killigrews, successful pirates themselves, using as a den to store loot. All of the pages are intact and the cover is intact and the spine may show signs of wear.

**Portrait of Dorset: Wightman, Ralph: spaceneb.us.to: Books**

.

**Artists' Dorset Archives**

Dorset's terrain is lowland in nature, albeit hilly in many parts.

**Rena Gardiner: Portrait of an artist in Dorset**

Provenance: Bookplate of Gregory Drew. It is the only one of Dorset's rivers to pass through the chalk in this way.

**Portrait of Dorset by Ralph Wightman**

Dust Jacket Condition: Very Good. The duke now saw all was lost; Lord Thomas fled to Wales, where he was taken two months later, and executed on 27 April. I hope you will requite me with the same kindness and let me have yours when either you come up to London, or when so ever any that draw pictures comes into those parts where now you are.

**Rena Gardiner: Portrait of an artist in Dorset**

On Seymour's fall in 1548 Dorset attached himself to , who became protector in 1549.
