Causative faire

The study gathered data on the abandoned project in three cities of Port-Harcourt, Owerri, and Enugu.

Causative constructions

Statistical measures for Usage-based linguistics. The sample size of seventy-two 72 in three major cities would be inadequate for the generalization of its findings.

Causatives

The analysis and comparison of the grammatical structures of related languages is known as.

Nick Ellis

There are other formal means beside affixation to form morphological causatives, such as reduplication, vowel, consonant, and tone alternations. The study proposed a risk management expert system module, a middle ground solution between the sell-then—build and build-then-sell schemes to address the causes of abandonment of construction projects.

ELC Study Zone: Causatives

Thinking about multiword constructions: Usage-based approaches to acquisition and processing.

What is Linguistics?

A brief introduction presenting the main types of causatives.

On The Causative Construction

Synthesizing research on language learning and teaching pp.
