At that point, two businessmen, Henry Martyn Kennard and Jesse. . In 1893 Petrie directed excavations at an important ancient Egyptian religious site called Koptos in southern Egypt.

Hutton's The Petrie Museum of Egyptian Archaeology (TV Episode 2013)

This collection is different from the big spectacular items you find at the British Museum. I really loved this museum.

Petrie Museum of Egyptian Archaeology: Bloomsbury's Hidden Gem

It was the first meteorite ever reported in the country, but this was certainly not the earliest Egyptian encounter with space debris.
