### Molière 1622

Centuries later, when the magazine started publication in 1906, its first editorial asserted that Laughter is the only weapon feared by the soldiers of Tartuffe; the new magazine proposed to effectively deploy that weapon, with articles and cartoons mercilessly lampooning the Catholic Church and its clergy. But, there were sections that I found quite funny, such as the scene in which Oronte begs Alceste, a stranger, but whose opinion is celestial, for an opinion on his poem, and in which Alceste provides his full-throated review although, to his credit, attempts to avoid having to opine.

### Tartuffe

Although the King harbored no love for the puritans, even he was ineffective in lessening their hold over a segment of the aristocracy. The second time around, I'm not sure if I enjoyed the play as much.
