### Dead Man's Hand: The Saga of Doc Holliday by Victoria Wilcox

As a young man, he was drawn to trouble, and an aura of danger began to be associated with Doc. She is a member of the Western Writers of America, Women Writing the West, the Wild West History Association, and the Writer's Guild of the Booth Museum of Western Art and has been a featured contributor to True West Magazine. She insisted she was coerced into reporting anything negative about Doc.
