**Boktipset**

Together with Anja Thedenius, Anders was awarded the Swedish Wood Award 2020 for his project Ateljé Södersvik. Han har i sin forskning særlig lagt vekt på allmenpedagogiske grunnlagsspørsmål, med studier av Aristoteles, Thomas Aquinas, Jan Amos Comenius, Søren Kierkegaard og Klaus Mollenhauer.

**Någonstans röster**

Today there is a large interest in traditional materials and forms and how to reinterpret and make them relevant in our contemporary architecture. Her curious intelligence and intuition guided her around the world, travelling according to the calendars of what are now called Design Weeks. Anders Johansson is an architect with his own practice, with a focus on exploratory projects for public spaces, urban construction and more recently in wood construction.
