In which phase of the systems development life cycle are these decisions made? Of the conversion methods available, which method localizes conversion problems and allows for training in a live environment? Mail your application form when completed to the Erie County Department of Personnel, 95 Franklin St. Which output category consists of reports that have a prespecified content and format, but are only prepared in response to abnormal conditions? Example: If you are taking two exams in the same series with a maximum time of five hours for each exam, you can spend no more than five hours to complete both exams. Candidates taking more than one exam in DIFFERENT exam series will be allowed the specified length of time for each exam, up to a maximum of eight hours.

You must claim these credits when you file application but you have an option to waive them any time prior to appointment. However, no credit may be added after the eligible list has been established. At some point critical decisions regarding data storage structure, communications channels, and processing need to be made.

Programmer Analyst

ELIGIBLE LIST: The eligible list resulting from an examination may also be used for appointment to the same title or to any other title deemed to be similar and appropriate. If you are taking multiple exams on the same date with Erie County only, you do not have to file a Cross-Filer form. Forms are also available in the libraries and at Town, Village and School District administrative offices.
