**Buy Under a Cloud: Life in Cherrapunji, the Wettest Place on Earth Book Online at Low in India**

Have you ever wondered about the weather around the United Kingdom and perhaps the world? But Cherrapunji, finds Binoo, has much more to offer to the visitor: it is a land of great beauty and warmth, peopled by a cast of characters ranging from truculent bureaucrats and eccentric visionaries to friendly entrepreneurs and drivers fond of drink. It has an annual rainfall of 12,892 mm.
