### Gisborough Priory, Cleveland (1984 edition)

In 1535 Henry ordered a comprehensive survey of the church's property, the. Two centrally placed grave slabs are visible below the east window.

### Gisborough Priory

He deplored the profane uses to which it had been put: I have seen with my own eyes broken pillars and pedestals of this august pile desecrated to the vile uses of gateposts, stands for rainwater casks, and stepping-stones over a common sewer.

### Category:Gisborough Priory

It is a vaulted undercroft of nine bays constructed from stone with its floor level below that of the cloister. As is usual, at Gisborough the priory church formed the north range of an open square of buildings known as the cloister. Choose the junction to the left, signed Cleveland Street Trail, and follow the path.
