Crozier commanded Terror, and was appointed to the rank of captain in 1841. After Franklin's death in June 1847, he took command of the expedition, and his fate and those of the other expedition members remained a mystery until 1859, when a note written by Crozier and , captain of the Erebus, was discovered on during an expedition led by. In January 2008, Crozier's home town of Banbridge hosted a memorial event, which included a service of remembrance and thanksgiving at the Church of the Holy Trinity, which was attended by more than a hundred descendants of Crozier and other officers of Franklin's lost expedition and those who searched for it, along with the chairman of Banbridge Council, and several Arctic historians, including Michael Smith and.
