Ch. 05: Joan Baez

The first and second ones must have been sort of inconceivable at one time.

Music for player piano: a study of seventeen selected examples

When you learn all of this musical terminology, do not sit back and ignore the rest of the words and markings you find. Kroner's enormous, hairy hand closed about Paul's, and Paul, in spite of himself, felt docile, and loving, and childlike.

Studies for Player Piano, Vols. 1

And Ah've got the award from the suggestion system.

Beginners Guide to Playing Piano : 19 Steps

You said you wanted to go there. Then, it starts over at A.
