The Ethics of Obscene Speech in Early Christianity and Its Environment

. And at that time the disciples of Jesus were gathered together in Jerusalem unsure of what their future would be, when all of a sudden the spirit took hold of them and enabled them to speak in tongues, and that speaking of tongues is understood by the author of the Book of Acts to mean speaking in all of the languages of the world.

The Eight Principles of Ethical Leadership in Education

October 2008 A look at state and federal statutes that protect religious freedom. The disputes then were over which Bible and which prayers were appropriate to use in the classroom. Moreover, the courts have said, no student should be forced to sing or play music that offends their religious sensibilities.

The Busybody: Speech in the Deutero

If the American people are to be the masters of their fate and of their elected government, they must be well-informed and have access to all information, ideas and points of view. The right of a student or student club to engage in religious speech or activities on school property may, however, conflict with other protections, such as the right of students to avoid harassment.

The Ethics of Obscene Speech in Early Christianity and Its Environment

To make this distinction clearer, we decided to use this March 2016 column to look at these two kinds of ethical issues. A philosopher argues why the impeachment is an important moral action.
