### Commodity Market Analysis

Persons wishing to determine the extent of coverage of a commodity or of a particular restraint agreement should contact the EICB or refer to the actual text of a particular agreement. Each specially commissioned chapter deals with important international trade issues, discusses the current literature on the subject, and explores major controversies. Information is provided 'as-is' and solely for informational purposes, not for trading purposes or advice, and is delayed.

### Handbook of Export and Import Commodity Codes

Please contact for information on earlier issues. Tweeting seems to have been effective! Products based on or linked to the Rogers International Commodity Index® or any sub-index thereof are not sponsored, endorsed, sold or promoted by Beeland Interests, Inc.

### AMS

Such person shall not have any liability for any errors, omissions, or interruptions therein and makes no warranty, express or implied, as to results to be obtained by owners of products based on or linked to the RICI ® or any sub-index thereof, or any other person or entity from the use of the RICI ®, any sub-index thereof, any data included therein or products based on or linked to the RICI ® or any sub-index thereof. The value of this basket is tracked via futures contracts on 38 different exchange-traded physical commodities, quoted in four different currencies, listed on nine exchanges in four countries.

### Handbook of Export and Import Commodity Codes

These goods and services can be bought directly through the market or through derivatives such as options and the futures market. This information is a general description of the Macquarie Group only.

### AMS

Past performance of any product described on this site is not a reliable indication of future performance. If you are authenticated and think you should have access to this title, please contact your librarian. Other indexes show regular dramatic changes in weights and compositions meaning

investors never know in what they are investing.

## **B**

The recent Basel Convention changes impacting plastic waste will have additional effects on the flow of recyclable material to these countries.
