## Transformers Universe

Blot was retooled from earlier teammate Rippersnapper, while Cutthroat and Sinnertwin were retooled from Swoop and Snarl, respectively. Either way, the previously Earthbound Mini-Cons are now in residence, and not everyone's happy to be there! The first pages of issue one and the last pages of issue eight feature a mini-comic about where all the information presented in the limited series is coming from, and who is accessing it, which was a prequel story to the television series. He was present when they were rendezvousing with the portal, but his Lord left and caused him to wonder if he was losing it.

## Knock Out TFP

Interestingly, he does seem to have some sense of morals, like when he sided with the Autobots in order to save Cybertron from Unicron.

## Return! Our Scorponok

Dark energon ripped out of his chest by Starscream Put to stasis lately after by Decepticons. Unless nagging counts, I haven't seen lift a finger!

This would later impact the ongoing Generation 1 comic when Megatron brought them to Cybertron to help defeat Shockwave and later to Earth.
