## Selected Poems Matthew Arnold

The poem is eleven stanzas long and presents the theme of nature, elevating it over city life. Religious also means practical, but practical in a still higher degree ; and the right antithesis to both ethical and religious, is the same as the right antithesis to practical : namely, theoretical.

Fold-outs, if any, are not part of the book. Arnold united active independent insight with the authority of the humanistic tradition. But Arnold is of the view that a writer should not concern himself with the externals, but with the 'inward man'.

## MATTHEW ARNOLD'S PROSE PASSAGES. » 31 Jul 1880 » The Spectator Archive

This book has hardback covers. The purpose of literary criticism, in his view, was 'to know the best that is known and thought in the world, and by in its turn making this known, to create a current of true and fresh ideas', and he has influenced a whole school of critics including new critics such as T. Arnold's volume is full of bright and beautiful detached criticisms.
