### Global Hotel Projects Finance

If satisfied, the legislature approves the project as part of the capital budget and authorizes financing through bond issuance. This is particularly important because the collateral offered to commercial banks and financial institutions is often limited to the land that will be developed. From time to time, we may communicate special offers for products or services of third parties outside of the AAY Investments Group corporate family, which we believe may be of interest to you, as explained below.

### Special Tourism Fund

Developers International 501 International House 223 Regent Street London W1B 2QD United Kingdom tel. Legal entity is the definition of the legal form that the project will take; it may be a partnership, a corporation, trust, joint venture.

### The financing of tourism projects
