## Benton Lake National Wildlife Refuge

Fish and Wildlife Service that were established to protect, enhance, and restore the Nation's wildlife heritage. Hunters are reminded that all vehicles must be parked in designated parking areas and access to Refuge hunting areas from other than authorized Refuge parking areas is prohibited.

### About the Refuge

The Refuge closes to all hunting on November 30. Benton Lake NWR Hunting Update 2017 The refuge hunt area will be open for the special youth only waterfowl and pheasant hunt on September 23rd and 24 th; general season waterfowl, sharp-tailed grouse, and gray partridge Huns on September 30th ; and pheasant on October 7 th.

### Benton Lake National Wildlife Refuge (Great Falls)

If you visit during peak water conditions in the spring and fall months, you will enjoy watching ducks, geese, swans, and shorebirds that stop here during their migration. The blind, an Eagle Scout project, provides viewing opportunities and is furnished with two chairs and an observation log. They were the only thing I could hear, except for a gentle wind.

### Visitor Activities

The Lower Marsh Road will close on September 22nd and hunters will not be allowed to use the road to access Unit 4C.

### About the Refuge

Hunting regulations and maps are available in the refuge office from 8:00 A.

## **Rules and Regulations**

See Home Page for links to more details on the 2016 season. Other Refuge wildlife includes 28 different species of mammals such as mountain cottontail, common muskrat, American badger, striped skunk, common raccoon, long-tailed weasel, Richardson's ground squirrel, coyote, and a limited number of white-tailed deer, mule deer, and pronghorn. If you visit during peak water conditions in the spring and fall months, you will enjoy watching ducks, geese, swans, and shorebirds that have stopped here during their migration.
