The Tale of Benjamin Bunny

Her life is an interesting one, simple and extraordinary at the same time. Overall this helped round out my recent Beatrix Potter binge! He then takes a casual stroll around the garden, followed by an increasingly nervous Peter. I've read Beatrix's journal and would say it's far more interesting than this biography.

Beatrix Potter Biography

I have been a Beatrix Potter fan since childhood and my curiosity was piqued again on a recent holiday to the the Lake District and I discovered this book. As young adults they both suffered from bouts of depression and both ended up writing stories that appealed to children.

Writing in the American Journal of Psychiatry, Sophia Vinogradov reflected on what she and undoubtedly many others remember about favorite characters such as Peter Rabbit, Jemima Puddle-Duck, and Squirrel Nutkin.

The Tale of Benjamin Bunny

I probably would have preferred a wikipedia page to this book. With her publisher hounding her for her next draft, she's unable to concentrate and has had enough of writing children's books. The artistic style comes across more like mere listings of plants or places instead of giving the reader a real feel for the subject matter.
