### PART 252

The Government reserves the right to award to the supplier whose quotation or offer represents the best value to the Government. An employer is under a duty to inform their staff about how to make the best of their pension rights. The term refers to a product offered for purchase under a supply contract, but for purposes of calculating the value of the end product includes services except transportation services incidental to its supply, provided that the value of those incidental services does not exceed the value of the product itself.

### EUR

The test arguably requires Tribunals to evaluate the employer's conduct according to good enterprise practice, by analogy to the test in.
