We may have done wrong—we probably did do wrong to disappoint those fellows in that kind of style—but how could we help it? I value not them or thee. It must be noted, however, that the status of some parishes and chapelries is not entirely certain; Dyer and Palliser eds , The Diocesan Population Returns, p. Nay, what is Philosophy throughout but a continual battle against Custom; an everrenewed effort to transcend the sphere of blind Custom, and so become Transcendental? The county's borders changed little between the thirteenth and sixteenth centuries and historically it derived cohesion and a distinct identity from the natural features which demarcated its ancient boundaries see Figure 2 above.
