Essentials of Clinical Immunology: 9781405127615: Medicine & Health Science Books @ spaceneb.us.to

The book provides the reader with the core information required to understand diseases with an immunological basis. It assumes you know certain terminology going into it. Perfect for clinical medical students, junior doctors and medical professionals seeking a refresher in the role of immunology in clinical medicine, this comprehensive text features fully updated clinical information, boxes with key points, real-life case histories to illustrate key concepts and an index of contents at the start of each chapter.
