Annual Policing Plans & Annual Report

It is the intention that this document is an operational one and it forms the basis of how the team both create and are provided strategic direction. It is always better to forecast a higher number and come under budget.

Strategic Planning

Thank you for your time in completing this survey. This section contains the Policing Plans published by BTPA. The Complaint of Nadeem Ahmed was also discussed.

Annual Policing Plans & Annual Report

Mid-range goals We understood that while larger ticket items were a priority, they would take a little more time to accomplish.

Annual Reports

It is built with a focus on people, technology, organisational support and finance, and provides a strong base on which to enhance future performance and public confidence. These figures represent a strong level of support for the approaches set out within the APP and this provides Police Scotland with the assurance that these approaches have the support and confidence of the public and partners. By no means can this plan be completely comprehensive or predict every need, as the future brings many unknowns, but we have made a good faith effort to address what we believe will be the future of the Leander Police Department.

Police & Crime Plan 2021

We understand that this part of our strategic plan will take the longest and must be done in increments over time to ensure a smooth transition in our operating budget. One of the members of the commission asked the IG Police to present the details of his visits and tours he has made out of the city.

A new 2018 updated plan was published and is available at the link below. Chief Secretary Muntaz Shah, Home Secretary Usman Chachar and IG Police Dr Kaleem Imam were invited in the meeting when their relevant matters came under discussion.

Delivery Plan

They cover both local and national objectives, ensuring we strike the right balance between local and national needs.
