The True Story of Communion in the Hand Revealed

I thank in particular Cardinal Jean-Louis Tauran for his gracious words.

How the Vatican Almost Embraced Birth Control

She has a high regard for the manner of life and conduct, the precepts and doctrines which, although differing in many ways from her own teaching, nevertheless often reflect a ray of that truth which enlightens all men. The Bishop of Oruro, for example, issued a decree in January 2016 prohibiting the reception of Communion in the hand in the territory of his diocese.

How the second Vatican council responded to the modern world

That's a legacy Francis built on this month when he convened a free-wheeling synod of bishops deliberately modeled on Paul's vision. His end did seem tragic, as he aged rapidly under the burdens of the office, governing the church at a time of massive social upheavals abroad and close to home.

How the Vatican Almost Embraced Birth Control

There were more numerous changes to the Easter Vigil service. In the process, care must be taken to guarantee that the other is always treated with respect. Pope Francis is on the move.
