How to Write Project Report:

Complete Step

Students of color were about three to five months behind in learning; white students were about one to three months behind.

Wisconsin Department of Public Instruction

Some may confuse an executive summary with an abstract but, in reality, they are clearly distinct from one another and serve a different purpose.

Mind the gap: COVID

The disparities in basic conditions for learning are reflected in the results of formative assessments taken this fall. If it is really necessary to include a personal view or opinion, make sure to explicitly identify it as such.
