The Columbia History of Chinese Literature

All major types of Chinese poetry were originally sung to the accompaniment of music. If, as you say, the world is foul, why not leap into the tide and make it clean? Lin Hsi-chung, a brilliant critic of the seventeenth century, to whose edition all students should turn, has shown with unerring touch where the lion left off and the jackals began. Five such soldiers are no match for one.

The Cambridge History of Chinese Literature

The stones, having no intelligence, are mentioned along with the day when they fell, and the fish-hawks, having a little intelligence, are mentioned along with the month when they appeared.

Chinese literature

It uses rhyme and metre and not infrequently also structure, but, despite occasional flights into the realm of the poetic, it retains the features of prose without being necessarily prosaic.

The Cambridge History of Chinese Literature

Standardization was meant to help control the society.
