Then, when the messengers went home, having well wrought their errand, they found, in a certain cave, where a giantess sat : she called herself Thokk. These Norsemen had carriages or chariots, as well as horses, and the numerous skeletons of this animal in graves or bogs prove it to have been in common use at a very early period. To obtain the best experience, we recommend you use a more up to date browser or turn off compatibility mode in Internet Explorer. What are the causes which have made the English such a pre-eminently seafaring people? THE author of this work has persuaded himself that the invaders who conquered and settled in Britain after the departure of the Romans were not, as we have been taught to believe, Low Dutch tribes, but Norsemen.

The impartial mind which rises above the prejudice of nationality must acknowledge that no country will leave a more glorious impress upon the history of the world than England. We see the infant exposed to die, or water sprinkled, and a name bestowed upon it; follow the child in his education, in his sports; the young man in his practice of arms; the maiden in her domestic duties and embroidery; the adult in his warlike expeditions; hear the clash of swords and the songs of the Scald, looking on and inciting the warriors to greater deeds of daring, or it may be recounting afterwards the glorious death of the hero.

The Viking age : the early history, manners and customs of the ancestors of the English-speaking nations : illustrated from the antiquities discovered in mounds, cairns, and bogs as well as from the ancient sagas and eddas : Du Chaillu, Paul B. They prayed her to weep Baldr out of Hel ; she answered: Thokk will weep waterless.

If I had not been afraid of being tedious, I could also have given extracts from Arabic, Russian, and other annals to the same effect. We listen to the old man giving his advice at the Thing. The testimony of archaeology as corroborating the Sagas forms one of the most important links in the chain of my argument ; parchments and written records form but a portion of the material from which I have derived my account.
