Apparently, the poet knew perfectly well that love should be appreciated for what it is, with no considerations given to the fact that it seldom proves long-lasting. For they are not the plays.

Love Poems & Sonnets of William Shakespeare

The Phoenix and the Turtle is a beautiful metaphysical and allegorical short elegy, and takes its place with Shakespeare's better-known poetry. They were written between 1591-1604 and were published in 1609, and it's not known whether they were published with Shakespeare's permission or not.
