The documents connected with the above matter consist of first the petition of Jacob Sharpe and Christopher Hagadorn, Jan.

Title to The Soil, Germantown, Columbia County, New York

The reports are also available at Federal depository libraries. So completely have these names and villages disappeared from local tradition, that to study their history seems like looking for a lost age and a lost people,--a romance of the past, entirely separated from the real life of the present. The following are the heads of families reported as willing to remain in Germantown, Aug.

Title to The Soil, Germantown, Columbia County, New York

The present inhabitants have little or no certain information concerning them. The title, however, practically became absolute after a few years. Both of our offices are now open to the public.

Most of these reports are county-based, have been converted to PDF, and are available from links below. The baptisms of the children appear in the venerable, time-stained volumes of the churches, and it is certain that a large portion of the present people are actual descendants of the Palatines.

Soil Surveys by State

This would divide them along the river-front at about equal distances, and at all of those points it is quite certain landings were made and business done seventy-five to one hundred years ago. A full account of its first settlement by the Palatines will be found in the general history of the county. Department of Agriculture will warrant the delivery of this product in computer readable format, and will offer appropriate adjustment of credit when the product is determined unreadable by correctly adjusted computer input peripherals, or when the physical medium is delivered in damaged condition.
