Maigret on the Defensive by Georges Simenon

Egymás után két Maigret történetet olvastam most, és mindkettőben szerepet játszott a véletlenek furcsa összejátszása, valamint egy fogorvos is. As he prepares to leave the Commissioner prohibits Maigret from questioning his accuser and from mentioning the investigation to any of his colleagues.

Maigret (1988 film)

Maigret is strong in listening to his intuition, operating in a manner that very few policeman would actually admit to doing. In doing so something else comes to light. Forcing the reader to question whom exactly we can trust, Maigret's Madwoman is a terrific mystery from the master Georges Simenon.

Maigret (1988 film)

There is a brilliant scene after Maigret has been condescendingly accused by an upstart Chief Commissioner in a large, unfamiliar, anonymous office; the sense of literal and spiritual depletion he feels in this silent, cavernous building opens out onto the heightened colour and noise of the streets as he leaves. .

Maigret on the Defensive (Inspector Maigret, book 63) by Georges Simenon

Mystery-wise, 'Defensive' seems as slack and shambling as a middle-aged inebriate, and hopelessly old-fashioned for 1964; it is actually as rigorously constructed and thematically thoughtful as we expect from this great writer. I finished this in one sitting but then it is rather short, only 128 pages Another excellent story from this master storyteller.
