Best known for his enormously long narrative poems *The Fall of Princes* and *The Troy Book*, Lydgate also wrote numerous verses related to theatrical performances and ceremonies. In 1652 Hans Rudolf proposed marriage for the first time and in 1664 Greiffenberg finally agreed to marry him. Through these examples, Classen introduces domestic violence as a major subject of concern and provides an overview of the social and discursive contexts in which writers male and female defended female self-assertion as well as the idea of the couple as This content downloaded from 128.
