Secret Hideaway Books

The series amounts to a story about the break down of a marriage that ends in murder of a husband, the execution of a lover, and the suicide of a wife. The populations of industrial and mercantile towns quadrupled between 1750 and 1800, helped by the improved transport systems that flourished in this period.

The Hogarth Archive

Duclaux had just turned thirty when he painted Hortense. His watercolours were exhibited, but in order to make a living it was more lucrative to produce prints and caricatures.

Course Catalogue

Beau Brummel, I imagine, would have found very little fault with Mr.
