**1776 (musical)**

Painter sits down in a chair very quietly, takes her cheeks between her hands, and stares at nothing. Thomas had referred him to—showing him it is a political lobbying group.

**Romeo & Juliet Original Text: Act 3, Scene 1**

You don't call an author an authoress, do you? Condoms seldom break if properly used. Painter, and you, my dear Frances.

**Eggs and bodybuilding the “Golden Couple”**

Why is he staying away so long? For a time deep silence reigns. What has the author intended that his reader or hearer shall understand, think, or feel? If it was all somehow tied together, the audience would be able to experience that great emotional catharsis that everyone was talking about. If I didn't see this movie for free, I'd ask for my money back on account of a faulty product.

**Homestuck: Act 6 Act 3**

We want to see characters develop beyond a thuggish menace before they go and wreak havoc.
