The Twilight Forest

There's no entry for Waldrop in the Clutopedia and I simply can't find anything solid about him online. Can you free them all from her spell, or will you become trapped forever in the witch's dark world? You can access your Dossier within the map, which is basically a journal that keeps track of your notes and clues you find as well as information about devices you come across.

Sator, the main antagonist, is an evil abuser. Pages contain marginal notes, underlining, and or highlighting. The words are swapped out after a designated period of time.

Vampires

It is literally a project that only exists because the movie camera exists. Use our Chisel integration to easily and on the fly swap between one variant of Nagastone to another, this works for all sorts of other blocks too. .

Vampires

Therefore, the Protagonist begins in hope and moves to despair near crunch-time, and Neil begins in despair and goes backward towards a better time.
