Norwegian Politics for Dummies

Norwegians celebrating their National day on 17 May A different social system The Norwegian political system reflects differences in the relationship between the government and its people.

COMMUNISM IN FINLAND A HISTORY AND INTERPRETATION

Finland has a population of about 6 million people, with the majority of the population living in the southern part of the country.

Norwegian Politics for Dummies

The local government consists of 317 municipalities. Eventually, and inevitably, these attempts at control fail. Government functions are not as independent in ruling as one might think; for they are composed of multiple branches and most branches consist of politicians coming from multiple parties.

Norwegian Politics for Dummies

So if we want to consolidate democracy give firm foundations to it and make its working successful, it is necessary that the people should keep religion apart from politics. .
