List of Union Civil War monuments and memorials

Donations accepted to help build the monument could be as little as 10 cents, which, at the time, was much more. A joint resolution of Congress in 1882 provided funding for a new granite monument, which was eventually completed and erected at Monticello the next year.

The Pernicious Myth of the 'Loyal Slave' Lives on in Confederate Memorials

The sons and daughters of the Confederacy understood that the key to re-imposing and justifying white supremacy following Reconstruction involved controlling history. The statue begins at the bottom with a group of American eagles that point the viewers attention to the next level which features many different bronze figures. These officers included a president, C.

Jefferson's Gravestone

Should statues honoring the leaders of the Confederacy, like that of General Robert E.
