Hidden Lives Revealed

The aim of the Industrial Strategy was to boost productivity by backing businesses to create good jobs and increase the earning power of people throughout the UK with investment in skills, industries and infrastructure.

ERIC

The money had to be found from government sources. In the beginning there were just 16 schools connected with it but by 1861 there were 176 schools in the union.

Hidden Lives Revealed

. As time went on there was quite a lot of unease about the funding mainly because of

More and more magistrates preferred to send young offenders to the schools instead of prison.

The UK's Industrial Strategy

Many petitions to Parliament for grants were made.
