And, of course, they had models to help sell their wares. These highly flexible cloth barriers will protect you from all future pain and sorrow!. May be very minimal identifying marks on the inside cover.

VINTAGE ARGOS CATALOGUE No.15 SPRING 1981

Why'd I change domain names? My only reward is the big smiles on your faces which I can't see, and if I could, would probably creep me out.

Never again to suffer the agonies of dirt, bugs, or thorns! And there isn't a lingerie section - the most important part of a JC Penny and Sears catalog. And we're not looking at frilly lingerie either. One can only imagine the level of 1970s bouncing.

VINTAGE ARGOS CATALOGUE No.15 SPRING 1981

I will admit - things start out a bit tame, but by the early 1980s, the Argos gals are really selling the hell out of some shower equipment! I will admit — things start out a bit tame, but by the early 1980s, the Argos gals are really selling the hell out of some shower equipment! Yet you remain completely dry! Like New: A book that looks new but has been read. Argos is a retailer that anyone in the UK is familiar with, but not many Americans recognize the name. .

I initially planned to scan the whole damn catalog, but then common sense and hyper-laziness took over, and I settled on a selection of pages

throughout the catalog. Very minimal wear and tear. Search only this catalog for: Search tips: Enter only one search keyword or phrase.
