ISEAS Publishing works with many other academic and trade publishers and distributors to disseminate important research and analyses from and about Southeast Asia to the rest of the world. Cohen and Chris Lyttleton deal in some depth with efforts by these states to implement policy relating to slash-and-burn and shifting cultivation. Others will find value in individual case studies but will perhaps struggle to work their way through the entire volume without more explicit, incisive intellectual linkages being made to encourage them to do so.
