Weeding and deselection bibliography

The Wenzhou-Kean University Library will be a multi-story campus centerpiece and will provide state-of-the-art digital and print resource access for an English-language curriculum for up to 10,000 students. RGI has excellent laboratory facilities, dedicated research staff and passion for getting new treatments to patients quickly. Students whose native language is not English and who have satisfied English language proficiency requirements see the section of this catalog on English Proficiency Requirements for Non-Native Speakers of English are exempt from the foreign language requirements for General Education, including exemption from foreign language placement testing.

Weeding and deselection bibliography

The University Libraries provide students access to extensive digital resources, online journals, e-books, streaming media, and other electronic resources in all fields of research and instruction. The candidates in the highest category will be certified for referral to the selecting official.
