Tamburlaine's malady : and other essays on astrology in Elizabethan drama

Our mission, simply put, is to present the best scholarship on Shakespeare from his own period to the present moment. Published for the Folger Shakespeare Library by Oxford University Press, SQ is peer-reviewed and extremely selective. The essays in our published pages span the field, including scholarship about new media and early modern race, textual and theater history, ecocritical and posthuman approaches, psychoanalytic and other theories, and archival and historicist work.
