Events leading to the attack on Pearl Harbor

This policy was put to the test in November 1979, when radical Iranians seized the United States embassy in Tehran, taking sixty hostages. Yoshikawa began gathering intelligence in earnest by taking auto trips around the main islands, and toured Oahu in a small plane, posing as a tourist. .

Events leading to the attack on Pearl Harbor

In the history of our country situations have arisen in which the Executive, with wide access to many sources of information from abroad, has known of or foreseen developments in foreign relations of which the public had not yet become aware. The anti-American aspect of the protests and the humiliating cancellation of Eisenhower's visit brought US-Japan relations to their lowest ebb since the end of World War II. After first consulting with , an expert on aerial torpedo warfare, and being told the harbor's shallow waters rendered such an attack almost impossible, Onishi

summoned Commander.
