## Essay about Critical Analysis of the Artful Dodger in Dickens' Oliver Twist

The first chapter of Dodger shows Jack and his young gang prowling the streets of Covent Garden looking for pickings and getting into trouble while employing the slang of his day so although the events of both books are worlds away from each other there is a sort of echo. Throughout the novel, Dickens uses Oliver's character to challenge the Victorian idea that paupers and criminals are already evil at birth, arguing instead that a corrupt environment is the source of vice.

Chain restaurants are required to post calorie counts, allowing customers to make informed choices. They were seen as controversial and scandalous because they glamorised criminality and Dickens felt — rightly — that Oliver Twist was much more than that. The newspaper stories related to Grover Cleveland Bergdoll were so enticing that I couldn't believe his history had fallen by the wayside.
